GENERAL INDEX

ABORTION, ovine brucellosis in sheep manifested by epididymitis and, 435.
Aetiology and control of chronic respiratory disease, 296.
African Horse Sickness, the 1959–60 epizootic, in Near East region and India, 137.
technical assistance provided by the Food and Agriculture Organization of the United Nations, 137
African pig disease, 229.
correspondence on, 517, 552.
African swine fever, see African pig disease.
Agricultural research, some aspects of, 466.
Air movement and the climate of broiler houses, 36.
America, Latin, a veterinary survey of, 421.
Anaesthesia, in animals for general research purposes, 413.
equine, 392.
in animals using cyclopropane, 405.
in the cat, 417.
in cattle, 377.
in the dog, 417.
in the pig, 383.
Anthelmintics, in Scottish hill ewes, field trials of, 239.
Antibiotic supplement in the diet, effect of environmental temperature on the growth response of chicks to, 216.
Arterial circulation in kidney of young elephant, 545.
Aspergillus fumigatus infection in a lamb, 11.
Avian encephalomyelitis, 448.
leucosis complex, classification of, 316.
Ayrshire cattle, plasma and blood volumes in, 115.

BEEF CALVES of European and Zebu breeding, effects of chlorpromazine injections at weaning on the live-weight gains of, 368.
Beef steers grazing in Jamaica, effects of hormone implantations on growth rates of, 455.
Biometry, 337.
Blood volumes in Ayrshire cattle, 115.
Body temperature of the ox, measurement of changes in, 479.

Yearbook, animal health, 1959, (F.A.O., H.M.S.O.), 335.
Bos taurus, see body temperature.
Broiler houses, the climate of, 36, 106.
Bronchitis, control of infectious—by vaccination, 289.
Brucella abortus infection in the horse, disease of the *ligamentum nuchae* associated with, 167.
Brucellosis, ovine, the disease in sheep, 435.
Buffalo, serological identification of flesh, 540.
technique of vasectomy (vasoligation) in, 366.

Cardiac output of cattle and horses by injection method, determination of, 143.
Cat, general anaesthesia in, 417.
Cattle, anaesthesia in, 377.
blood volumes in, 115.
causes of infertility in, 18, 74.
congenital porphyria in—in Denmark, 1, 61.
determination of true cardiac output of, 143.
etrolene and warble infestation in, 497.
Nigerian Zebu, helminthiasis in, 485.
vasectomy in, 366.
Cellular picture of vaginal mucus from heifers, 519.
Chickens in the United States, respiratory disease complex of, 306.
Chicks, growth response of—to antibiotic supplement in the diet, 216.
Chinchillas, griseofulvin for *Trichophyton mentagrophytes* infection of, 524.
Chlorpromazine, injections at weaning on liveweight gains of beef calves, effects of, 368.
Circulation of kidney of elephant, 545.
Climate of broiler houses, 36, 106.
Coccidiosis, caecal, prophylactic action of Vitamin A in, 507.
Cow, a technique for the accurate measurement of the rate of urine flow of, 502.
incidence of ketosis in, 158.
Creatine in the urine of dairy cow, 201.
Cyclopropane, short anaesthesias in animals using, 405.

Dairy cattle, fertility variations in, 18.
influence of some management factors affecting the semen and insemination conditions of, 74.
Dairy show, Royal, 373.
Deer flesh, serological identification of, 540.
Denmark, congenital porphyria in cattle in, 1, 61.
Dermatitis, contagious pustular, fatal ulcerative mucosal condition of sheep, associated with, 97.
Disinfection of eggs and incubators, 532.
Dog, general anaesthesia in 417.
shows, duties of veterinary surgeons at, 220.
Drug immobilizing technique, handling of wild African elephants with the use of, 87.
Drug screening procedures, morbidity and mortality rates in East Coast fever and their application to, 529.
Duck plague, 349.
Duties of the veterinary surgeon at championship dog shows, 220.
greyhound racing tracks, 267.
horse shows, 171.
polo clubs, 171.
race meetings, 128.

East Coast fever, 529.
Ecology, 337.
Eggs, disinfection of, 532.
Elephants, wild African, handling and marking of, 87.
Embryo, toxicity of formaldehyde to, 532.
Encephalomyelitis, avian, 448.
Environmental temperature on the growth response of chicks, effect of, 216.
Epididymitis, ovine brucellosis in sheep manifested by, 435.
Epizootic diseases, famine caused by, 57.
Equine anaesthesia, 392.
Etrolene and warble infestation in cattle, 497.
Ewes, Scottish Hill, field trials of some anthelmintics on, 239.

Farming intensity, influence of kale feeding, milk production and management factors associated with, 192.
Feeding high or low mineral concentrate on the incidence of ketosis in dairy cows, effect of, 158.
Formaldehyde, the toxicity of, 532.
Fowl paralysis, discussion on the classification of the avian leucosis complex and, 326.
proposed classification of the leucosis complex and, 316.

General research, anaesthesia in animals for, 413.
Goat flesh, serological identification of, 540.
Greyhound racing, duties of veterinary surgeons at, 267.

Griseofulvin in *Trichophyton mentagrophytes* infection of chinchillas, 524.
Growth curve for mice, pubertal change in, 120.
Growth rate of the horse, 181.
Growth rates of European Zebu and hybrid beef steers, effects of hormone implantations on, 455.
Growth response of chicks to antibiotic supplement in diet, 216.

HAEMORRHAGIC syndrome in poultry, 357.
Handling of wild African elephants, 87.
Heat, loss of, pubertal change in growth curve for mice and corresponding rates of, 120.
Heifers, cellular picture of vaginal mucus from, 519.
Helminthiasis in Nigerian Zebu cattle, 485.
Histological study of part of renal cortex of mouse, 15.
Hormone implantations, growth rates of European, Zebu and hybrid beef steers grazing in Jamaica, the effects of, 455.
Horse, anaesthesia in, see equine.
determination of cardiac output of, 143.
disease of *ligamentum nuchae* associated with *Brucella abortus* infection in, 167.
growth rate of, 181.
Horse shows, duties of veterinary surgeon at, 171.

IDENTIFICATION, serological, of ox, buffalo, goat, deer flesh, 540.
Immobilizing technique, handing of wild African elephants by, 87.
Incubators, disinfection of, 532.
India, epizootic of African horse sickness in, 137.
Infertility in dairy cattle, 18, 74, 192.
Infestation, warble, in cattle, 497.
Injection method, determination of cardiac output of cattle and horses by, 143.
Injections, chlorpromazine, at weaning of beef calves of both European and Zebu breeding, 368.
Insemination conditions, affected by management factors, 74.
International veterinary co-operation to strengthen preventive medicine services in all countries, 57.

JAMAICA, effects of hormone implantations on growth rates of European, Zebu and hybrid beef steers grazing in, 455.

KALE feeding, incidence and causes of infertility in dairy cattle, influence of, 192.
Ketosis in dairy cows, effect of feeding high or low mineral concentrate on the incidence of, 158.
subclinical, potassium chlorate as a prophylactic treatment for, 491.
Kidney of young elephant, arterial circulation of, 545.

LAMB, generalized *Aspergillus fumigatus* infection in, 11.
Latin America, a veterinary survey of, 421.
Leucosis complex, avian, and fowl paralysis, a discussion of the classification of, 326.
and fowl paralysis, a proposed classification of, 316.
Livestock diseases, survey of, 256.
Liveweight gains of beef calves of both European and Zebu breeding, effects of chlorpromazine injections at weaning on, 368.

MANAGEMENT factors, affecting semen and insemination condition, 74.
Marking of wild African elephants, with use of drug immobilizing technique, 87.
Measurement of changes in body temperature of the ox, 479.
of rate of urine flow of the cow for renal clearance studies, 502.
Mice, pubertal changes in growth curve for, 120.
Milk production, causes of infertility in dairy cattle—influence of, 192.
Mineral concentrate on incidence of ketosis in dairy cows, effect of feeding high or low, 158.
Morbidity and mortality rates in East Coast fever and their application to drug screening procedure, 529.
Mortality, see morbidity.
Mouse, histological study of part of renal cortex of the mouse, 15.
see also Mice.
Mucosal condition, fatal ulcerative, of sheep, associated with virus of contagious pustular dermatitis, 97.
Mucus, vaginal, from normal heifers, cellular picture of, 519.

NEWCASTLE disease and infectious bronchitis by vaccination, control of, 289.
in Great Britain, control of, 275.
Nigerian Zebu cattle, helminthiasis in, 485.

Ox, measurement of changes in body temperature of, 479.
serological identification of, 540.

PARASITOLOGY, 337.
Pig disease, African, 517, 552.
Plasma and blood volumes in Ayrshire cattle, 115.
Polo clubs, the veterinary surgeon at, 171.
Porphyria, congenital, in cattle in Denmark, 1, 61.
Potassium chlorate as prophylactic treatment for subclinical ketosis, 491.
Poultry, haemorrhagic syndrome in, 357.
Association Congress at Utrecht, 273.
Preventive medicine services in all countries, the necessity of international veterinary co-operation, 57.
Prophylactic action of vitamin A in caecal coccidiosis by protection of epithelium, 507.
treatment for subclinical ketosis, 491.
Pubertal change in the growth curve for mice and corresponding rates of loss of heat, 120.
Pustular dermatitis, contagious, fatal ulcerative mucosal condition of sheep associated with virus of, 97.

RACE meetings, duties of veterinary surgeons at, 128.
Rates of loss of heat, pubertal change in growth curve for mice and corresponding, 120.

Renal clearance studies, technique for accurate measurement of rate of urine flow of the cow for, 502.
Renal cortex of mouse, histological study of part of, 15.
Research, agricultural, some aspects of, 466.
purposes, anaesthesia in animals for, 413.
Respiratory disease complex of chickens in United States, 306.
chronic, aetiology and control of, 296.
Royal Dairy Show, 373.

Scottish hill ewes, anthelmintic trials on, 239.
Seasonal fluctuations in worm egg counts of sheep in Southern Rhodesia, 152.
Semen, causes of infertility in dairy cattle—influence of management factors affecting, 74.
Serological identification of ox, buffalo, goat and deer flesh, 540.
Sheep disease associated with virus of contagious pustular dermatitis, fatal ulcerative mucosal condition of, 97.
in Southern Rhodesia, seasonal fluctuations in worm egg counts of, 152.
Studies on congenital prophyria in cattle in Denmark, 1, 61.
climate in broiler houses, 36, 106.
growth rate of the horse, 181.
renal clearance, technique for accurate measurement of rate of urine flow of cow for, 502.
disinfection of eggs and incubators, 532.
Survey, veterinary, of Latin America—the future for the profession, 421.
Surveys of livestock diseases, 256.
Syndrome, haemorrhagic, in poultry, 357.

Technical assistance provided by the Food and Agriculture Organization of the United Nations, in epizootic of African horse sickness, 137.
Technique of vasectomy in cattle and buffaloes, 366.
Toxicity of formaldehyde to the developing embryo, 532.
Treatment with strain 19 vaccine, disease of *ligamentum nuchae* associated with *Brucella abortus* infection in the horse and, 167.
Trichophyton mentagrophytes infection of chinchillas, griseofulvin for, 524.

Ulcerative mucosal condition of sheep associated with virus of contagious pustular dermatitis, 97.
United Nations, technical assistance provided by Food and Agricultural Organization of—, in 1959–1960 epizootic of African horse sickness, 137.
United States, respiratory disease, complex of chickens in, 306.
Urine of dairy cow, creatine in, 201.
Urine flow of cow, for renal clearance studies, technique for accurate measurement of, 502.

Vaccination, control of Newcastle disease and infectious bronchitis by, 289.
Vaccine, strain 19, disease of *ligamentum nuchae* associated with *brucella abortus* infection in horse, and its treatment with, 167.
Vaginal mucus from normal heifers, cellular picture of, 519.
Vasectomy in cattle and buffaloes, technique of, 366.
Vasoligation, see vasectomy.
Ventilation systems, climate of broiler houses—comparison of, 106.
Veterinary co-operation to strengthen preventive medicine services in all countries, the necessity of, 57.
Veterinary surgeon, duties of, at championship dog shows, 220.
horse shows, 171.
polo clubs, 171.
race meeting, 128.
tracks, 267.
Veterinary survey of Latin America, 421.
Vitamin A in caecal coccidiosis by protection of epithelium, prophylactic action of, 507.

Warble infestation in cattle, report on etrolene and, 497.
World Veterinary Poultry Association Congress at Utrecht, 273.
Worm egg counts of sheep in Southern Rhodesia, seasonal fluctuations in, 152.

Zebu cattle, effects of chlorpromazine injections at weaning on subsequent liveweight gains of beef calves of both European and, 368.
and hybrid beef steers grazing in Jamaica, effects of hormone implantations on growth rates of, 455.
cattle, Nigerian, helminthiasis in, 485.
